The good thing about crypto trading is that you are not required to maintain a required minimum amount of deposit in your wallet. The transaction fee, more often than not, is deducted as a percentage of the amount of your initial capital. This is why you do not have to be bothered by the investment money required in crypto trading.

MY experience with UFX is much the same as most of the reviewers here. 95% of the brokers I was allocated to spent most of their time telling me the only way to make money was to continue to increase the amount in your account. They suggested I mortgaged my house, borrowed from my family or used my credit card.
