Trading with eToro: Is it really the best online broker .

It is a free virtual trading platform where you'll get Rs 1 crore virtual cash on registration which you can use to invest in shares, commodities, mutual funds, or fixed deposits on the platform. At Moneybhai, you can also compete with fellow Indian traders by joining different leagues.

eToro offers zero-commission real stock trading. Since May 2020, this is valid for all countries, but for clients from Australia commission-free trading only applies to US stocks. Note that with the free feature, you're buying the real stock, not a CFD product, and you cannot use leverage.

A trading similar is essentially a copy of the stock market on a virtual trading platform. These virtual platforms provide market data like you would generally see in your active trading account. But there's one big difference. In your active trading account, your trades are made using your money. So, when you lose, you lose real money.
