On the eToro trading platform, trades are made by dollar amount, rather than by unit of an asset. That means that you dont need to buy whole units of an asset; you can buy just a fraction of a cryptocurrency, starting from a minimum of \$10 per trade. Please note that there is a \$50 minimum for depositing funds.

BitRue is a scam, its not a real exchange. If you are a developer who wants to list your token on this platform DO NOT LIST HERE BY ANY MEANS. AVOID AT ALL COST. They are not transparent and they will keep asking for more money that theyll never return. They have no customer support at all.
