When it comes to trading leveraged financial products, you have to be able to trust the forex broker. It is not uncommon for large sums of money to be used to generate a large profit. For example, brokers in Europe must have regulations or licenses if they want to offer their services. The regulation can be in any European country.

IMO, kraken is the best exchange. It's the mix of many factors: They don't have as many altcoins as Binance but still many, they offer staking for some coins (although not many and not the best rates), they are a registered company in a country with a solid legal system and with real offices and known people (unfortunately that means you need to do their terrible KYC process), you can buy .
