2021-03-11. Six months have passed since the Binance Launchpool launched in September 2020. Since then, Launchpool launched 15 successful crypto projects, recorded \$4.64 billion in total value locked (TVL), and distributed \$529 million in tokens to 408,783 crypto holders, who have since watched their holdings bloom with the recent rise of the crypto market.

The opportunity to become the dominant social network, social media blockchain rather, is so huge that there are many others vying for that crown. The safest strategy of all would be to get a small allocation to a few different social media blockchains so that you've a higher chance of having a position in whichever one or group of networks wins out.
