How to close my account. If you no longer need your HitBTC account, you may just stop using it. But please keep in mind that the traces of your transactions will remain in the network forever: this is the point of blockchain. However, if you'd like, we can deactivate your account for you.

Apr 29, 2021 2. As you may know, a popular cryptocurrency trading platform HitBTC is not available to U.S residents. According to the platform's official Terms of Use, clause 2.2.g., residents of the USA are not allowed to use the service of exchange, which also includes any country embargoed by the USA. Following the decision of many exchange platforms in the USA to leave the local market in lieu of restrictive actions, HitBTC ceased its activity for the U.S residents and let them close .

The opportunity to become the dominant social network, social media blockchain rather, is so huge that there are many others vying for that crown. The safest strategy of all would be to get a small allocation to a few different social media blockchains so that you've a higher chance of having a position in whichever one or group of networks wins out.

As with most exchanges, Binance.US rewards high-volume crypto traders with progressively lower transaction fees, though this won't kick in until you trade at least \$50,000 of cryptocurrency .

Binance must pay these fees to miners to ensure that transactions are processed. Since transaction fees are dynamic, you will be charged according to the current network conditions. The fee amount is based on an estimate of the network transaction fees and can fluctuate without notice due to factors such as network congestion. Please check the most updated fee listed on each withdrawal page.
