Binance: Finally a head office! Binances frantic quest for decentralization may well have found its base. In recent days, the platforms official communication, through its CEO and creator Changpeng Zhao, shows the groups desire to have a centralized body. A body that would meet the demands of regulators around the world.

Reportedly, the firm was founded in China, and Binance Headquarters was also located in China from the start, not until when it had to move its servers and head office out of the country to Japan because of the Chinese government ban on crypto trading. The ban saw other exchange firms move out of China too, like KuCoin, OkCoin, etc.

Today, we take a closer look at how you can move your crypto assets from your Binance account to your Ledger Live account. Read more about it in this article:.

From Binance to Ledger In order to send from one address to another, the first thing you need to know is the address that you want to send the coins to. For this you need to connect your Ledger and go to Ledger Live. There you need to click the receive button so that you would see the address, you will need a Ledger Live account for this as well.
