Coinbase's position as a leading on-ramp to crypto and its plans to add products make it an attractive long-term play, according to an analyst and research associate at investment management firm Ark Invest. The crypto exchange is a market leader due to its emphasis on product excellence and regulatory compliance, Ark analyst Maximilian Friedrich said

Another way to buy and sell digital currencies is by going through a Broker, it is however the Broker that determines the exchange rate and as such you are going to be best advised to shop around to ensure the one you choose is offering you the best exchange rate, no matter whether you are buying or selling a digital currency.
