Coinbase Restricted Account Case# 09376576. Since last month ago I've received multiple emails from a Coinbase compliance KYC email. I've ignored these emails as they asked bank statements and other private info and after found out multiple posts saying that it was scam emails. In this period of crypto regulations and KYC verifications, choosing the right exchange for your needs is more and more important: So I decided to write a little guide about the pros and cons of the most and less known exchanges (also because I didnt see a proper list in this subreddit),If you want to let other people read this guide, consider upvoting (I worked a lot to create this post).
