The international money markets major responsibility is to handle the currency trading between the countries. This process of trading a countrys currency with another one is also known as forex trading. Unlike share markets, the international money market sees very large funds transfer. The players of the market are not individuals; they are very big financial institutions.

Stellar - reddit

Why is Stellar Lumen (XLM) relatively unpopular? FINANCE. Out of all tokens, XLM is one of the most well-rounded coin. It has basically zero transaction cost (a fraction of a cent), decent TPS (>3000), transactions are almost instant, is very decentralized in nature and most of all: it is entirely open-source and made by a non-profit organization.
