TurboTax is taking steps to streamline the crypto communitys experience this tax season. Weve built a solution that allows you to import transactions from Coinbase to TurboTax, with plenty of help and resources

along the way. Before, you were required to manually enter each taxable transaction, which could take hours. There is a disconnect between what turbotax wants and what it's partner (coinbase) provides in the CSV. Bannedrock described it very well. The headers are creating an error because they are not what turbotax expects for the columns. This is going to be quite time consuming for quite a lot of people.
