An option you purchase is a contract that gives you certain rights. Depending on the option, you get the right to buy or the right to sell a stock, exchange-traded fund (ETF), or other type of investment for a specific price during a specific period of time. Investors and traders use options for a few different reasons.

Options trading, and particularly options selling, involves a high degree of risk. You should consult your financial advisor before making any financial decisions. The material in this guide may include information, products or services by third parties. Third Party Materials comprise of the products and opinions expressed by their owners.
