Crypto trading is, for many, a very emotional experience. The wild price moves can trigger a range of strong emotions. As extreme signals are easier to read, this could make existing AI models more suited to the crypto markets. This is something to hold in mind if you look to extract your crypto AI skills and apply them to other, more subdued markets.

Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.
