Automatic Verification. When creating your Bitbuy account, the personal information you enter (name, address, date of birth, etc.) gets passed through our third-party identity verification service, which will confirm your identity and verify your account instantly.

Bitfinex consistently has the highest or second-highest daily trading volume out of any cryptocurrency exchange, and theres good reason why. I joined Bitfinex recently and Im quite happy with their service; fees are very reasonable, friendly user interface and not overly complicated like most exchanges which I get lost navigating most times, customer service is top notch.
