The ACH bank transfer system typically takes 3-5 business days to complete after initiating a purchase. Once Coinbase receives the payment and the transaction shows as completed in the History page, cryptocurrency is made available in your account. Please visit this help page for more information on buys and payment methods.

My deposit over the holidays had a projected ETA of 10 calendar days. I've had deposits show up as far as a week beyond their ETA before, but for the most part they show up before the 10 days. Depends a lot on the bank your using and whether or not that specific bank account has made deposits before. I found first deposits do take a bit longer.
