Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.

ETF trading is done on stock exchanges, making ETFs easy to buy and sell without help from a broker or investment advisor. And since they are funds made up of collections of assets, they offer investors easy entry into various markets, sectors, indices, and more since investors don't need to buy each underlying asset individually.
