cTrader for Mobile Your traders can access their account from literally anywhere, thanks to the cTrader applications for iOS and Android. Both versions of the app use native Android and iOS design patterns, layouts and controls, which reduce the learning curve for new users by providing them with an already-familiar platform.

With the new version of the BP cTrader app, comes an improved full-screen chart panel. A short tap enables quick access to major chart features and options, while a long tap provides for advanced customizing and a detailed view. Furthermore, Chart Period Favorites are now available for your convenience.
