Huobi has always had language in their Terms of Service banning US users, but there were many cases where US users were able to make accounts and perform trades on the platform. However, Huobi isn't just running away with their American clients' money. The exchange is providing a grace period for any remaining Americans on the platform.

It can happen with menus that anti-virus protection program detects one, again this is a precaution that your anti-virus program displays. It is normal because the hacks have to get the codes out of the DLL file again and this is a normal unauthorized operation! Disable your anti-virus program before you download and unpack a hack, so that the .
