RoboForex demo accounts are different from real ones in that you don't need to deposit any real money for investing on them. In all other aspects, demo accounts are fully identical to RoboForex real accounts. This is why using a demo account is one of the most powerful ways to test your investment strategies or EAs in real market conditions.

By opening a demo account at RoboForex, you can test our trading conditions - instruments, spreads, swaps, execution speed - without investing real money.
