Dollar cost averaging (DCA) is an investment strategy where a person invests a set amount of money over given time intervals, such as after every paycheck. Investors choose this investment strategy when long term growth of an asset is foreseen, but a removal of short term volatility is desired. Take The Work Out Of Investing.

IMO, kraken is the best exchange. It's the mix of many factors: They don't have as many altcoins as Binance but still many, they offer staking for some coins (although not many and not the best rates), they are a registered company in a country with a solid legal system and with real offices and known people (unfortunately that means you need to do their terrible KYC process), you can buy .
