CEX.io stands as one of the safest and most reputable crypto exchanges. While their fees might not be as low as those of Poloniex, for example, the platform surely ticks the best part of our criteria. They also have fantastic customer support and take security issues very seriously which lands CEX.io a spot on this list.

Know Your Customer (KYC), or sometimes referred to as Know Your Client, is a process by which a business or agency verifies the identity of its clients. The process is mandatory for banks, lenders, insurance providers, and other financial and monetary companies of all sizes. KYC is a data-driven process that allows companies to ensure that their customers are who they claim to be, to ascertain the suitability of a customer for their services, and to avoid any malicious or criminal activity .
