Generally this process can be completed in a few minutes, though in some cases verification may take a few business days. Please allow us time to review your application. Please do not file multiple support tickets as this will not speed up the verification process and could potentially delay verification. See you soon on Binance.US!

Anyone else also got problems with facial verification? I have been trying lots of times for a few days already and it kept saying that verification failed for some reason. Update (30th November): Binance escalated my ticket and asked me to send them a video of my face and ID for verification purpose.

Rubic's routing system is now live! Today we are happy to introduce Rubic's routing system for BSC and Ethereum networks! This solution will allow users to trade for any pair on these networks! However the main advantage is the ability to calculate gas price and show users the best optimised solution with paying the least amount of gas.
