When a cardholder goes to buy crypto with a credit card, most credit card issuers treat the transaction as a cash advance, as if they used their credit card to obtain cash from an ATM. A cash.

When you create an order on Coinbase Pro, we check your buying power before the order is created. Once Margin Trading becomes unavailable, your buying power decreases and we thus might not be able to execute any orders that were already created. Will I still have access to reporting for Margin trades? You can access your previous trades (including Margin trades) via the Orders or Statements sections of your account.
