eToro is a multi-asset platform which offers both investing in stocks and cryptoassets, as well as trading CFDs. Please note that CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 68% of retail investor accounts lose money when trading CFDs with this provider.

Asian Money Markets and the IMM. The Bottom Line. The International Monetary Market (IMM) was introduced in December 1971 and formally implemented in May 1972, although its roots can be traced to .

The international money markets major responsibility is to handle the currency trading between the countries. This process of trading a countrys currency with another one is also known as forex trading. Unlike share markets, the international money market sees very large funds transfer. The players of the market are not individuals; they are very big financial institutions.
