The opportunity to become the dominant social network, social media blockchain rather, is so huge that there are many others vying for that crown. The safest strategy of all would be to get a small allocation to a few different social media blockchains so that you've a higher chance of having a position in whichever one or group of networks wins out.

Can I use IQ Option with MT4? As we mentioned it is not possible to use MT4 with IQ Option. Like many brokers, IQ Option have gone down the route of developing their own platform rather than offering users a ready-made, third party solution like Metatrader 4. Dont discount them just yet though, as their platform is clean, simple and user-friendly.

Normally, US markets are open from 9:30am ET until 4pm during normal business days, except on certain holidays. However, different assets have different opening and closing times. For example, cryptocurrencies are traded 24 hours a day, 7 days a week. Currently, in the United States, you may only place and execute market orders on US stocks and ETFs during market trading hours.
