While Facebook, Instagram, Twitter, and YouTube are now synonymous with the word social media, this is probably about to change soon. Blockchain technology is giving birth to a new wave of social.

Blockchain-based social media platforms allow users to have complete control over where and how their content can be distributed. The distribution capability gives them the improved capacity to profit from the production of passive income. Not only this, such decentralized platforms reward users for posting on their networks.

Can I use IQ Option with MT4? As we mentioned it is not possible to use MT4 with IQ Option. Like many brokers, IQ Option have gone down the route of developing their own platform rather than offering users a ready-made, third party solution like Metatrader 4. Dont discount them just yet though, as their platform is clean, simple and user-friendly.
