The price action then broke out at \$0.138 and continued its new trend. The left structure leaves clues. You can see that this was the previous high before it was taken out. This led to ADA's bullish run in 2021. Fast forward to today's price action, we now see that the token is establishing a support level.

Activations: 5 This tool works on MT4. The connection to the IQ option box program is established. With this software, IQ Optiona opens orders in selected time periods. The IQ option box program is required. First, the connection to the IQ option box is established. Then you can trade by sending a trading order by adding MT4.
