Bitfinex Review. Bitfinex is a premier destination for seasoned traders all over the world and one of the top exchanges in terms of recognition and trading volume. It serves all except few countries in the world (mentioned below) and supports both fiat-to-crypto and crypto-to-crypto trades.

I joined Bitfinex recently and Im quite happy with their service; fees are very reasonable, friendly user interface and not overly complicated like most exchanges which I get lost navigating most times, customer service is top notch.
