Position Management. Intraday Margin rates are effective from the product open until 15 minutes prior to the session close when Initial Margin is required. Initial Margins are set by the exchange and represent the amount required to hold a position into the next trading session. View Initial Margins for available contracts or learn more.

Initial Margin \$1320 is margin to open a position of 1 contract MES. Maintenance Margin \$1200 per contract is the minimum margin you should have to avoid a margin call. So if your position is losing 24 points per contract MES, you should add money on your account. Try to stay polite or nobody will answer your questions anymore.
