Margex utilizes the most practical and highly scalable infrastructure type, that, even during peak market activity, enables traders to trade uninterrupted. Margex combines the very best of cryptocurrency and bank-grade security standards. 100% of the assets are stored in cold offline wallets. Transparency in every aspect.

Margex is a new leverage exchange and is too early to call whether it is a safe place to trading cryptocurrencies. However, there appears to be several security features in place to secure client information and funds which include the use of multi-sig withdrawal process, offline cold wallet storage and two-factor authentication.
