ETF trading is done on stock exchanges, making ETFs easy to buy and sell without help from a broker or investment advisor. And since they are funds made up of collections of assets, they offer investors easy entry into various markets, sectors, indices, and more since investors don't need to buy each underlying asset individually.

NinjaTrader does apply an inactivity fee and it is \$25 per month if you log into the platform, but don't place any round trade (buy and sell). This means that you need to be strategic about your trading activity to avoid getting charged after a longer time of no trade.

Day trading the cryptocurrency market can be a very lucrative business because of the high volatility. Since the crypto market is a relatively new asset class, it has led to significant price swings. Before day trading Bitcoin or any other altcoins, it's prudent to wait until we have a high reading of volatility.

For the most part maintaining a NinjaTrader brokerage account is free. There are however a handful of administrative and management fees that are worth being aware of. Administrative fees Important administrative fees you want to be aware of is the Minimum account activity fee. If you don't trade during the month you'll be charged this fee.
