Considering this scenario, Upstox will continue to make it available for free even after 4 months.

The price action then broke out at \$0.138 and continued its new trend. The left structure leaves clues. You can see that this was the previous high before it was taken out. This led to ADA's bullish run in 2021. Fast forward to today's price action, we now see that the token is establishing a support level.
