The international money markets major responsibility is to handle the currency trading between the countries. This process of trading a countrys currency with another one is also known as forex trading. Unlike share markets, the international money market sees very large funds transfer. The players of the market are not individuals; they are very big financial institutions.

Binance is a crypto-to-crypto exchange. This means that users can only use it to trade cryptocurrencies. If you don't already own some cryptocurrency, then you'll need to buy some before you can start trading with Binance. I suggest using an exchange that offers fiat currency trading like Coinmama, CEX.IO or Coinbase.
