Some Important Things You Should Know About Cryptocurrency

Coinbase has been hit-and-miss for me for the past month. For example I've had: 1 "instant transfer/buy" that took 23 hours for the coins to arrive. The next day, before my original purchase arrived I needed to make a small additional order to compensate for a rate drop and that one went through right away.

Step 1: Fund Your Account. To get started trading crypto, you must apply and be approved for both a TradeStation Crypto account and a TradeStation Securities equities account, which you can do in one, seamless account opening process. After your TradeStation Securities equities account is open, you can fund it with USD.

Does anyone know whether third-party brokers exist to set up a Tradestation account and use the technology? Trying to reach Tradestation directly via the phone or chat link requires that you either wait on hold for hours or schedule a phone call for later in the day. I have another account at Etrade that has similar issues with hour-long wait times to speak with customer service .
