Cant add bank account to Coinbase Account. So Ive had some problems with coinbase. Initially I tried verifying my bank account, sending money, receiving a refund from coinbase. Nothing. Then where it says verify it says error, not found. So I removed it and wanted to readd, now no option for UK bank account comes up.

Go to the Payment Methods section. Select Add a payment method> Bank Account> Continue. On the new page, you can see the list of active banks and you can select anyone in which you have an account. Now enter your banking information. After completing this information, your bank account will be linked to the exchange and you can use it immediately.
