The leveraged token basket will be rebalanced when the spot market price changes 10%. That's why we say you can make more money when the spot price increases a lot. For example, if the spot price has increased 20% from 10,000 to 12,000. The basket will be rebalanced when the price has hit 10,100 and the leverage will keep 3x.

In order to transfer coins, you will need to open the Edit Trade window in the Portfolio. Under Invested, eligible users will have an option to transfer. Positions will be closed once the transaction is completed. It can take up to five business days for eToro to process the transfer request. We may ask you for further documents in some cases. From the moment that the request is processed, it can also take additional time for the coins to appear in the wallet.
