Coinbase CEO stole blockchain startup's work, lawsuit alleges

Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.

Without a certain volume threshold, exchanges will ultimately fail to be profitable business ventures. For you, as a cryptocurrency investor, exchange volume is equally important. Exchanges are your best bet at buying, selling, and trading cryptocurrencies.
