Coinbase says not to do it because small transactions can overload their network but I dont think its much of a problem if your not getting 30 payouts a day. They do change addresses but every address is linked back to your account so it doesnt matter

if it changes.

Coinbase Mining more and more cryptocurrency pages are implementing browser mining on their sites to give users the chance to earn their first units of cryptocurrency. Browser mining involves creating digital currencies online via a browser. The advantage here is that the complicated setup for mining with a computer is eliminated so that even beginners have the chance to enter the world of cryptocurrencies.
