What are the fees on Coinbase Pro? Trading Fees. Coinbase Pro uses a maker-taker fee model for determining its trading fees. Orders that provide liquidity (maker orders) are charged different fees than orders that take liquidity (taker orders). Fees are calculated based on the current pricing tier you are in when the order is placed, and not on the tier you would be in after a trade is completed. Your fee tier is recalculated hourly based on your total trading volume.

6. Customer Support and Reviews. You can contact Bitstamp via a ticketing system, and you'll usually get a reply within 24-72 hours depending on the nature of your query. The business's UK phone number is also available to call in an emergency. There's also a decent FAQ page. Many companies just pay lip service to this area of their websites, but Bitstamp actually provides in-depth information that should answer most major questions.
