Airdrops are a part of a broader marketing strategy that involves social media promotion, blog posts, and different levels of crypto holder participation. Just like supermarkets distribute free samples of an item to promote sales, blockchain-based startups give away free coins to incentivise the use of their platform.

Are Bitcoin demo trading accounts free? Generally yes all the platforms on the list require the customer to sign up for an account before using their demo features. So the truth is, it costs no actual money. but you will be supplying your private information to companies that have an obligation to supply the IRS with any information they request.

Controlling shares of the token have been burned meaning that no one can retrieve the initial liquidity provided to PancakeSwap to enable trading, and no one can make any alterations to the smart contract.
