Purchase and deposit limits will be different depending on your region and payment method type. For US customers, if you're looking to deposit more than the maximum \$25,000 a day ACH limit, one option is to complete a wire transfer from your bank account to your Coinbase account. You can view instructions for how to wire funds here.

The goal of copy trading, like regular trading is to open positions on various financial markets including FX, CFDs on Stocks, Commodities, Indices and Cryptocurrencies, and then to close the position, hopefully once the value of the asset has moved higher. Although, much like trading for yourself, here you can also incur losses too.

The spending limit for Coinbase Card US is \$2,500 per day, and the max ATM withdrawal limit is \$1,000 per day Why is the pending amount larger than my transaction? Some merchants like gas stations and car rentals will authorize a larger amount initially, but once the transaction settles for the correct amount, Coinbase will return the excess funds to your spending wallet at the prevailing market price.

Copy trading is the trading methodology whereby investors across financial markets can automatically open

positions and execute trades in accordance with the portfolio of another selected entity or individual in the market. It can either be automatic or manual depending on how the individual would like to approach copy trading.
