To download and install TradingView for PC, click on the "Get TradingView" button. You will be taken to the product page on the official store (mostly it is an official website of the app). Please, follow next instructions: Press the button and open the official source. It could ask you to register to get the app. You should sign up.

IMO, kraken is the best exchange. It's the mix of many factors: They don't have as many altcoins as Binance but still many, they offer staking for some coins (although not many and not the best rates), they are a registered company in a country with a solid legal system and with real offices and known people (unfortunately that means you need to do their terrible KYC process), you can buy .
