spend time on eToro the better your experience and support from eToro's team will be. What stands out as the biggest difference in the tiers is the human touch added on Platinum+ and Diamond. eToro wants their biggest traders to feel appreciated, enable them, and create a network for them.

eToro Club membership is determined according to the customer's realised equity as of midnight GMT each day. Provided that you meet the equity requirement, you will be automatically accepted and see the club tier change the following day. Silver: \$5,000. Gold: \$10,000.
