Oasis Network (ROSE) was founded by Dawn Song and is an unfortunately rare example of a blockchain company founded by a woman. Dawn Song is a professor in the Department of Electrical Engineering and Computer Science at the University of California at Berkeley and has spent considerable time researching and building security and privacy technologies, particularly in areas like cryptography, blockchain and machine learning.

YoBit does not explicitly state that US-investors are prohibited from trading. Accordingly, we do believe that US-investors can trade here. Any US-investors interested in trading here should in any event form their own opinion on any issues arising from their citizenship or residency.
